Would you like me to **hold you by the hand** and show you how to build a **7 figure** side hustle that you will feel stupid to say no to?

If so...

Then this message you are reading now is going to be the most important message you will ever read today.

Here is why.

Hi, my name is **Lewes Howes.**

I'm famous for writing an internationally bestselling book titled "**The Mask of Masculinity**".

I'm also internationally known as the founder and host of a viral podcast called **The School of Greatness**.

On YouTube...

This podcast is sitting at over **1.81 million** subscribers and over **185 936 741** views.

But here is the thing.

My life wasn't victorious as it seems.

Back in 2008

- **I had lost hope in my dreams.**
- **I failed to get a college degree.**
- **I had zero dollars in my bank account.**
- **I had a heavy student loan on my shoulders to pay off.**
- **My girlfriend left me.**
- **I was living on my sister's couch.**
- **After my surgery, my arm lived for like half a year in a cast.**

You can imagine...

I was a **burden.**

Nobody wanted anything that had to do with me.

But today almost everybody wants everything that has to do with me.

As I'm writing this to you...

I've been lucky to share the same table with the likes of:

Tony Robbins, Gary Vee, Tai Lopez, Dan Lok, Grant Cardone, Kobe Bryant, Ben Shapiro, Patrick Bet-David and many other influential high performers.

I'm grateful for that.

But I won't forget the year 2008.

This is the same year that my life started to turn around.

On this year...

I started a couple of side hustles.

It wasn't a walk in the park as we were still in the middle of the **Great Recession**.

But because life had torn me apart...

I had the biggest drive to make things work.

I managed to turn my side hustles into a **7 figure** business.

Now your 1% effort as you are reading this...

Is to just copy and paste this 7 figure side hustle blueprint I'm disclosing to you for the first time.
